# Offset PRINTING

City Printers is printing company in South Delhi offering the full range of print services to a variety of clients operation across many different industries sectors. We are a one stop shop for all your print requirements our customised solutions are tailored specifically to your individual need, ensuring the best result every time through out the prepares, printing, finishing & binding process. At our company we believe in creating value for our customers who are looking for the highest quality of printing. Our strong reputation is build on the success full delivery of all arrangement, no matter how challenging the brief or how tight the time frame. From business cards to corporate brochures, we collaborate with the customer to understand their requirements fully and to provide the optimal result using the highest specifications appropriate for their budget. We pride ourselves on professionalism, loyalty and a commitment to upholding the needs of our clients.

Offset Printing is a commonly used and simple technique that involves the transfer of the inked image from a printing plate to a rubber blanket and then to the printing surface (either paper or board). As one of the most advanced printing press, we use state-of-the-art Heidelberg machinery suitable for brochures, annual reports, presentations, product and art catalogues, Pizza box, pocket folders, posters, business cards, corporate stationery etc. Whether you simply need business cards printed or are looking for a partner to execute the most challenging paper craft project, rely on our expertise to produce professional printing results every time.

## DIGITAL PRINTING
